The credit in accordance with this notice has been made in this office on your abstract of Lic. Steam for the quarter ended Dec. 31, 1906 and the corresponding change should be made in your balance to be brought forward Jan. 1, 1907.

The delay in sending this notice was caused by the failure of Newport News to send the surrendered paper at the proper time.

☞ This book is to be used for both sailing and steam vessels engaged in the coasting trade and in the fisheries; but separate groups should be made of each class.
